

Conference Invitation Letter

Dewen Liu
Southwest Forestry University, China

To Whom It May Concern,

2025 The 9th International Conference on Materials Sciences and Nanomaterials (ICMSN 2025) will be held in Oxford, United Kingdom during July 8-11, 2025.

Herewith, the Conference Organizing Committee and Technical Program Committee cordially invite **Dewen Liu** to do poster presentation at ICMSN 2025 in Oxford, United Kingdom during July 8-11, 2025. The Conference Technical Program Committee is pleased to inform that the abstract “**Compressive Strength Evaluation of Steel-Carbon Hybrid Fiber Concrete across Variable Environments**” authored by **Yong Ding, Weifang Xu and Dewen Liu** has been accepted for poster presentation at the conference.

In order to exchange ideas, to promote material science especially focusing nanomaterial and to present sophisticated research works, International Conference on Materials Sciences and Nanomaterials (ICMSN) was initiated. ICMSN 2017 was successfully held in Barcelona, Spain during July 14-16, 2017, ICMSN 2018 was successfully held in University of Liverpool, UK during July 11-13, 2018, ICMSN 2019 was successfully held in University of Oxford, UK during July 22-24, 2019, ICMSN 2020 was successfully held virtually during July 8-10, 2020, ICMSN 2021 was successfully held virtually during July 13-15, 2021, ICMSN 2022 was successfully held in London during July 11-13, 2022, ICMSN 2023 was successfully held in Cambridge during July 11-13, 2023, and ICMSN 2024 was successfully held in Edinburgh during July 9-12, 2024.

ICMSN 2025 is organized by Chemistry and Materials Society (CMS), Branch Society of Hong Kong Chemical, Biological & Environmental Engineering Society (HKCBEEES). (Speakers: Prof. Alexander M. Korsunsky, Trinity College, University of Oxford, UK; Assoc. Prof. Ludmila Kucerova, University of West Bohemia, Czech Republic; Assoc. Prof. Nader Shehata, Kuwait College of Science and Technology, Kuwait)

Sincerely Yours,

ICMSN 2025

2025 International Conference on Materials Sciences and Nanomaterials

Address: Godstow Road, OX2 8AL Oxford, United Kingdom

Meeting schedule

Day 1(July8, 2025)	
10:00-12:00	Welcome Reception, Sign up, conference materials pick-up
Lunch Break	
13: 00-16:00	Welcome Reception, Sign up, conference materials pick-up
16:00-17:00	Opening ceremony

Day 2(July9, 2025)	
9: 00-10:00	Invite expert reports 1: The latest research progress in materials science
10: 00-10:15	Intermittent
10: 15-11:15	Invite expert reports 2: Materials science research theory
11: 15-11:30	Intermittent
11: 30-12:30	Invite expert reports 3: Experimental methods for materials science
Lunch Break	
14: 00-15:00	Parallel Session1
15: 00-15:15	Intermittent
15: 15-17:15	Parallel Session2
17: 15-17:30	Intermittent
17: 30-18:30	Parallel Session3
after18: 30	Break

Day 3(July10, 2025)	
9: 00-10:00	Invite expert reports 4: The latest instrument in materials science
10: 00-10:15	Intermittent
10: 15-11:15	Invite expert reports 5: Materials science application cases

11: 15-11:30	Intermittent
11: 30-12:30	Invite expert reports 6: Future of materials science
Lunch Break	
14: 00-15:00	Parallel Session4
15: 00-15:15	Intermittent
15: 15-17:15	Parallel Session5
17: 15-17:30	Intermittent
17: 30-18:30	Poster
after18: 30	Break

Day 4(July11, 2025)	
9: 00-10:00	Discussion session1
10: 00-10:15	Intermittent
10: 15-11:15	Discussion session2
11: 15-11:30	Intermittent
11: 30-12:30	Discussion session3
Lunch Break	
14: 00-15:00	Discussion session4
15: 00-15:15	Intermittent
15: 15-17:15	Discussion session5
17: 15-17:30	Intermittent
17: 30-18:30	Closing Ceremony (including Award presentation)
after18: 30	Leave the meeting
